9. **Assignment.** The Provider may not assign its obligations under this Agreement unless it has received prior written approval from the County, which may be withheld at the sole discretion of the County.
10. **Waiver.** No action or failure to act by the County shall constitute a waiver of any of its rights or remedies or as approval or acquiescence in a breach thereunder, except as may be specifically agreed in writing.

13. **Survival of Provisions.** All obligations arising prior to termination of this Agreement and all provisions of this Agreement allocating responsibility or liability between the parties shall survive the completion of services and termination of this Agreement.
14. **Modification.** This Agreement may only be modified in writing and signed by both the Provider and by the County Manager or other authorized County official.
15. **Conflict with Attachments.** In the event of any conflict between the provisions in this Agreement and any provisions in an attachment thereto, the provisions in this Agreement shall take precedence over any provision in an Attachment.

contracting practices. Provider and its subcontractors shall comply with Article 2 of Chapter 64 of the North Carolina General Statutes relating to the required use of the federal E-Verify program to verify the work authorization of newly hired employees. Failure of the Provider to comply with this provision or failure of its subcontractors to comply could render this contract void under North Carolina law. Provider hereby certifies that it is not on the North Carolina State Treasurer's lists of persons engaging in business activities in Sudan (Darfur), Iran, or boycotting Israel, prepared pursuant to NCGS §§ 147-86.43, 147-86.58, and 147-86.81, nor will Provider utilize for this Agreement any subcontractor on such lists. This agreement is intended for the benefit of the County and the Provider and not for any other party. If any provision of this Agreement shall be unenforceable, the remainder of the Agreement shall be enforceable to the extent allowed by law.

IN WITNESS WHEREOF, the authorized officials of the County and the Provider have set their hands and seals as of the day and year first above written.

For this project, I've decided to create a little girl in my 'Bench People' style. She will be reading a book that is open to a page about honeybees. There will be a capital H on the upper right corner of the book with illustrations of honeybees and their honeycombs. Children will be able to sit on her lap and look at the book, and others will be able to sit on either of two short stacks of books which will be sandblasted with the title "Honeybees" (similar to my Kohl Children's Museum installation in Chicago where the open book is about the Tully Monster fossil and my Emeryville, CA installation). On the book benches, there will be illustrations of honeybees and flowers and a beehive pattern.
