

PRUNING WORKSHOPS | WINTER 2020

Join Extension Agent Leslie Peck for information on maintaining beautiful and healthy plants with proper pruning techniques. These workshops will focus on ornamental plants in the landscape, including deciduous and evergreen shrubs. Each session will include helpful tips and an outdoor demonstration (weather permitting).

Dress accordingly for outdoor demonstrations.

Admission to Tanglewood Park is free; tell the gate attendant that you are attending a workshop.

Registration is required as space is limited. Similar information will be shared in all workshops, so each attendee can register for only one date. Visit go.ncsu.edu/winter2020pruning to register. Questions? Call 336-703-2850.

Saturday, March 14 from 10:00 to 11:30 AM

-or-
